Advertisement for the post of 'Junior Research Fellow'
in an ICMR-funded project

Applications are invited for a **Junior Research Fellow (JRF)** in a research project funded by the **Indian Council for Medical Research (ICMR)** under the supervision of **Dr. Ashish Gupta**, Department of Life Sciences, School of Natural Sciences, Shiv Nadar University. (For more information please visit Dr. Ashish Gupta's webpage at the Shiv Nadar University website:

http://snu.edu.in/naturalsciences/ashish_gupta_profile.aspx).

The project involves study of Chromatin remodeling factor TIP60 and its role in regulation of nuclear receptors. The work involves molecular & cell biology techniques including cloning, cell culture, transfection and microscopy.

Desirable Qualification

- M.Sc. in any branch of life sciences with excellent academic record.
- Candidates with CSIR-UGC NET, DBT-JRF or GATE are encouraged to apply.
- Research experience in the field of molecular & cell biology with published papers will be preferred.

Fellowship

₹ 25,000/- p.m. + HRA for the first two years and subsequently ₹ 28,000/- p.m. + HRA for the third year.

Duration

1 year but extendable up to three years based on performance and availability of funds.

Applicants are requested to send a cover letter outlining previous research experiences and reasons for joining this position. Please send your complete bio-data including **educational mark sheets/certificates (from 10th onwards)**, **copy of prior publication(s)** (if any), and **name of one referee**, the **cover letter**, and other relevant documents as PDF attachment by **email (or hard copies by Speed Post)** to reach the office on or before **28 February 2017**:

Dr. Ashish Gupta
Assistant Professor
Department of Life Sciences
School of Natural Sciences
Shiv Nadar University
NH-91, Tehsil Dadri, Greater Noida
District Gautam Buddha Nagar, UP 201314

Email: ag315@snu.edu.in

Telephone: (0120) – 3819100/2663801(Ext-246)

Please use **PIN- 201314 for Speed Post or registered post** and **PIN 201307 (Dadri) for courier services**.

About Shiv Nadar University

Shiv Nadar University is a comprehensive, multidisciplinary, research-focused and student-centric institution that is bringing a paradigm shift in higher education in India through its innovative curriculum, interdisciplinary focus, and cross-disciplinary thinking across a wide range of disciplines. The University is building an eco-system of knowledge to promote recognition of the inter-connectedness of ideas, systems, and environments in the world inside the campus, and those outside it. The University has 5 Schools, 16 Departments and 6 Research Centers engaged in teaching, practice, and research in disciplines as diverse as Engineering, Humanities & Social Sciences, Management, Natural Sciences, Art, Design, Performing Arts, Communication, and Extended Education & Professional Development. The schools offer Bachelor, Masters, and Doctoral degrees along with multidisciplinary curriculum to enable students to explore subjects and disciplines that may be widely different from their chosen Majors.
