Notification for extension of Last Date to Apply for Round 1

Some of you reported challenges in application fees payment and scheduling SNUSAT due to last day surge and limited slots. To provide a fair opportunity to every aspirant who could not complete the process due to technological challenges, SNU is extending the last date of submission of application for Round 1 as follows:

1. The last date to apply for Round 1 of admission NOW is **12th June, 2014**. Please do not wait for the last date and submit at the earliest. The interview shortlist will be available as scheduled on the evening of 14th June.

2. The last date to appear for SNUSAT for Round 1 of admission is **20th June, 2014**. Again, the slots will be limited and you may want to schedule at the earliest. In case of issues to do with scheduling SNUSAT, please call Pearson Vue helpdesk (toll free, dial from ISD enabled phone) at 0008004401837. This number is available between Monday-Friday, 9:00 a.m.-6:00 p.m.

3. In case you do not see at a test centre closest to you, please search for a centre a little farther in your city.

4. It is your responsibility to schedule SNUSAT in the available window and there are chances you may not get any slot within the available window at a later date. Shiv Nadar University or Pearson Vue will not be responsible for such unavailability due to delay in scheduling on your part.

5. Please ensure your application is complete and accurate in all respects before you ‘submit’. After submission the information will be frozen and you will not be able to make any changes. Any misleading or incorrect information may lead to rejection of application.

You can check your eligibility for applying to SNU at: [http://snu.edu.in/admission/undergraduate.aspx](http://snu.edu.in/admission/undergraduate.aspx)
