School of Engineering

Ph.D. Admissions Announcement: Spring 2016

Department of Electrical Engineering

The Department of Electrical Engineering in the School of Engineering at Shiv Nadar University invites applications for admissions to its Ph.D. program.

Research Areas

Descriptions of research interests of our faculty can be found at http://snu.edu.in/engineering/engineering_electrical_engineering_faculty.aspx

The department is also engaged in interdisciplinary work with research groups spanning across schools at SNU.

**Research Infrastructure**

The Department of Electrical Engineering has well-equipped laboratories for Microwave Integrated Circuit, VLSI design, Electronic Circuits, Electrical Machines, Instrumentation & Control Systems, Digital Signal Processing, and Communication Engineering. Students and researchers in the department also have access to SNU’s high-performance computational facility, delivering a theoretical peak performance of ~30 TF. SNU’s library, housed in a modern 5-storey building, has a comprehensive collection, and also provides online access to thousands of electronic journals and databases including IEEE, AIP, Springer, Elsevier, Wiley, Nature journals etc. IEEE student branch chapter, Shiv Nadar University.

**About Shiv Nadar University**

Shiv Nadar University (**www.snu.edu.in**) is a multi-disciplinary research university, established by the Shiv Nadar Foundation in 2011 through an act of the State of Uttar Pradesh, India. It is built on a spacious, 256-acre, fully-residential campus in Greater Noida, U.P., on the outskirts of Delhi. The University is driven by its distinguished faculty in engineering, natural sciences, humanities and social sciences, management & entrepreneurship, communication, education, art and design. The Ph.D. program at SNU is currently a full-time, residential program. However, if you wish to explore the option of doing a Ph.D. as a part time scholar, please direct your enquiries to Ms. Ruchika Goel via e-mail at: ruchika.goel@snu.edu.in
