To be an interdisciplinary, research-led, university of global stature
10 Key Facts: The Shiv Nadar University

1. Established: 2011

2. Type: Private state university (U.P. Act No 12 of 2011)

3. Vice Chancellor: Dr. Nikhil Sinha

4. Legislative approvals: UGC and AICTE

5. Interdisciplinary Programs: Undergraduate, Postgraduate and Doctoral programs

6. Total students in Founding Batch: 274 student from more than 12 states (30% Females)

7. Student-Faculty ratio: 12:1

8. Campus: 286 acres (fully residential)

9. Research centers:
   - Institute for Inventions and Innovations with Mathematics & Information Technology (IIIMIT)
   - Center for Informatics

10. 4 year Undergraduate format
## Schools and Programs

| School of Engineering (started in 2011) | Civil Engineering  
|                                       | Mechanical Engineering  
|                                       | Electrical Engineering  
|                                       | Electronics and Communication Engineering  
|                                       | Computer Science and Engineering |
| School of Natural Sciences (started in 2011) | Maths  
|                                              | Physics (offered from 2012)  
|                                              | Chemistry (offered from 2012) |
| School of Humanities and Social Sciences (starting in 2012) | Economics  
|                                                          | English |
| School of Business | Envisaged for 2013 |
| School of Education | Envisaged for 2013 |
| School of Communication | Envisaged for 2013 |
| Programs | Undergraduate, Post Graduate and Doctoral programs |
Undergraduate Curriculum Philosophy

1. Emphasis on **experiential learning** though internship, research projects or service learning – thus focus on career development

2. Possibility to obtain **Major** and Major-Minor. E.g., Majors in Economics and Minor in Mathematics – desirable for students

3. **Understanding of** a range of topics in **diverse disciplines** such as humanities, natural sciences and engineering while gaining **mastery in a chosen area of specialization**
Supported by…

- World-class faculty and research orientation
- Outstanding students
- Partnerships with renowned Universities and Research institutes
- Career development opportunities with both Industry and Research focus
- Scholarship schemes (Merit and Need based) and Financial aid which benefits all

Key People at the Shiv Nadar University

Dr. Nikhil Sinha  
*Founding Vice Chancellor, Shiv Nadar University*  
A leading international expert on information and communication technology industries with extensive experience as an academician, corporate executive and consultant; published numerous articles and papers in scholarly journals and conferences, a role model for learning, knowledge and inspiration. Nikhil holds M.A. and Ph.D. in Communication from the University of Pennsylvania and a B.A. (Hons.) from St. Stephen’s, Delhi

Dr. M Gopal  
*Director, School of Engineering*  
Globally known academician and an eminent researcher in the area of Control Engineering and Machine Learning; Formerly associated as a Professor at the Department of Electrical Engineering at IIT Delhi where his teaching and research stint spanned three decades

Dr. Shubhashis Gangopadhyay  
*Director, School of Humanities & Social Sciences*  
Well known economist and former Advisor to the Union Finance Minister and youngest ever Secretary to the Government of India; a PhD in Economics from Cornell University, USA; Founding Director of India Development Foundation and an acclaimed author

Dr. Rupamanjari Ghosh  
*Director-designate, School of Natural Sciences*  
An eminent teacher, a renowned researcher and a great academician. Her research interests are Experimental and Theoretical Quantum Optics, Laser Physics, Nonlinear Optics and Quantum Information. She is a former Dean, School of Physical Sciences at JNU. Professor Ghosh completed her PhD. from the University of Rochester, USA. She pursued MSc at the University Of Calcutta and MA at the University of Rochester.

Dr. Sanjeev Agrawal  
*Dean Of Undergraduate studies & Head of Department of Mathematics*  
An eminent Mathematician in the field of Functional Analysis, Operator Theory, Error Correcting Codes and Encryption. Former association with St. Stephen's College, Delhi University and has been associated with the Mathematical Sciences Foundation in faculty and administrative roles; PhD from Delhi University and Masters from University of Oxford
Committed to The Creation of a Meritocratic Society Through The Power of Education

Shiv Nadar School
- Education for Life
- India-wide chain of K-12 schools to create lifelong learners

SSN
- Amongst India’s top private engineering colleges, based in Chennai

Kiran Nadar Museum of Art
- Towards instilling a deeper appreciation and promotion of modern Indian art

Shiv Nadar University
- Interdisciplinary, research-led University, based in NCR

Vidyagyan
- Educational initiative for meritorious rural, underprivileged children

Vision

An Initiative of Shiv Nadar Foundation
Financials

- Total Revenues: $6 Bn
- EBITDA: $671 Mn
- Employees: 88,000

Enterprise Revenue Growth

- 2000: USD 455 Mn
- 2011: USD 6000 Mn

Accolades

HCL Infosystems
- Hardware, System Integration, Networking Solutions, Managed ISP Services, Homeland Security & ICT Distribution

HCL Technologies
- Product Engineering & R&D, Enterprise & Custom Applications, Enterprise Transformation Services, Infrastructure Management & BPO Services

Global Market Focus

- Global Presence - Operations spanning 31 countries
- Delivery Facilities - USA, UK, Finland, Poland, Puerto Rico, Brazil, China, Malaysia, Singapore, Australia, the Czech Republic and India

Indian Market

- India Presence - Offices in 170 cities, 500 points of presence reaching 4,000 towns
- Distribution Network - 93,000 outlets in over 9,000 towns

Backed by the Pioneer of Modern Computing

HCL Technologies
- Global Market Focus

HCL Infosystems
- Indian Market

Accolades

- HCL wins FT ArcelorMittal Boldness in Business Award
- IBM and other multinationals increasingly nervous about HCL
- HCL among world’s top 5 Emerging Companies to Watch
