Stream Reallocation for Bachelor of Technology (B.Tech.) Program ADMISSIONS OF 2016

Dear applicant,

Please find below the reallocation status of candidates who were selected to the B.Tech. Program and paid fees in Round 1 of Admissions declared on 28 June 2016. The reallocation has been done based on availability of seats, applicants' place in the merit order and the preferences order given in the application form.

If your name is not in the reallocation list, then there is no change to the stream offered in Round 1 selections. The next reallocation list will be published on 16 July 2016 against seats that remain vacant due to selected candidates not joining, based on the program preferences given in the Application Form. **This will be done only for the candidates who have paid the fees for the stream allocated to them. No separate request for such reallocation is required.** Any change to the Preferences declared in the Application Form is NOT possible at this stage.

The communication should be read in conjunction with original Offer of Admission sent to you. Please refer to that for details including Refund Policy and other requirements.

With Best Wishes,
Admissions Office
Shiv Nadar University
