General Information about Shiv Nadar University (SNU)

SNU is a multi-disciplinary research-led university, established by the Shiv Nadar Foundation in 2011 through an act of the State of Uttar Pradesh. SNU's mission is to develop and educate the leaders of tomorrow; to support research and scholarly endeavors that contribute to the creation of new knowledge; and to run research and teaching programs that tackle the most pressing problems of India and the global community. The University offers a wide range of academic programs at the undergraduate, postgraduate and doctoral level.
