

Shiv Nadar Institution of Eminence

Disability Access Schemes

Shiv Nadar University Access is committed to providing full accessibility to all of its programs and services for individuals with disabilities. Funds have been earmarked and utilized to improve accessibility in the infrastructure and create a supportive environment. We ensure compliance with the Rights of Persons with Disabilities Act, 2016 (RPwD Act) and the Rights of Persons with Disabilities Rules, 2017 related to accessibility and have been implementing the Accessibility Guidelines and Standards for Higher Education Institutions and Universities by Department of Higher Education, Ministry of Education, 2024 as per the requirements of the community.

Measures have been taken to eliminate barriers in both indoor and outdoor spaces, at the campus. The university has constituted a Disability Support Committee (DSC) and published an encompassing [Disability Support Policy](#). The DSC has been continually assessing the requirements and recommends implementation of various schemes like purchase of equipment that enriches the learning experience for students with disabilities, mentoring and counselling for such students. The committee also raises awareness about the capabilities of people with disabilities and encourages their participation in co-curricular, extra-curricular, and sports activities. The students are also encouraged to apply for the various government and non-governmental scholarships for the differently abled.
