THE CAMPUS

The sprawling 286-acre campus is a soothing sight, dotted with over 14,000 trees.

The University houses a 120,000 sq. feet indoor sports complex and 571,410 sq. feet of outdoor facilities.

In-house resources, including cafes, grocery stores for daily needs, a fully equipped medical centre, an indoor sports complex, a student recreational centre, a central library, a post office, saloon, and also an in-house bank with ATMs.

The campus is a rich habitat of flora and fauna. We have recorded over 250 plant species including unique plant species like the Horsetail from the Jurassic era. Over 95 percent of plant diversity on campus possesses medicinal values.

The university practices sustainability in every way possible: saving energy, water, and paper; reducing food wastage; increasing the use of alternative energy; running sustainable transport; planting trees, and much more. A unique, community-led, organic food initiative on campus is also under development.
