CONTEMPORARY CHINA AND TIBET (CCT)

UNDERSTAND THE COMMUNIST PARTY. DECODE ITS POLICIES.

APPLICATION DEADLINE:
10 SEPTEMBER 2026

WHO SHOULD JOIN?

Students and professionals interested in China's domestic politics, institutions and policy processes - including government officials, security analysts and business professionals.

COURSE AT A GLANCE

Duration	8 weeks • 48 contact hours
Format	Online, live classes
Start Date	Mid-September 2026
Eligibility	Undergraduate degree
Fee	₹29,500 (Incl. GST)

(A discount applies for members of government services.)

COURSE HIGHLIGHTS

Certificate from Shiv Nadar Institution of Eminence.

One of the very few India-based courses offering structured academic engagement on the CPC's institutions, ideology and ethnic-minority policy - beyond a security-only lens.

Open to all backgrounds - no prior China-studies experience required.

WHAT YOU WILL LEARN

Political Institutions - how the Party-state is structured and governed.

Policy-Making Processes - how decisions are made and implemented.

Ideology - the ideas shaping the Communist Party of China.

Understanding China - methods, sources and tools for analysing contemporary China.

China's Policies in Tibet - history and policy since 1950.

State-Society & State-Economy Relations.

WHY THIS COURSE?

- An accessible way into the complexity of Chinese domestic politics and policy-making.
- Traces the Party's rise from its early years to today.
- Covers how information is produced and controlled within the Party-state.
