Ph.D. Researchers in CSE Department

Full Name: Aditi Bansal

Field of Specialization / Research Area: Cybersecurity

Academic Advisor(s): TBA

Profile : LinkedIn

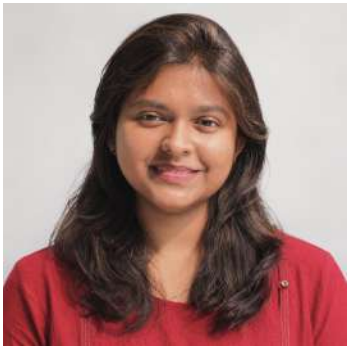

Full Name: Amogha Singh

Field of Specialization / Research Area: Predictive, Carbon-Aware Traffic Engineering; Cloud Computing; AI-Driven Workload Forecasting; Sustainable Networking.

Academic Advisors: Dr. Suchi Kumari and Dr. Sonia Khetarpaul

Profile: https://www.linkedin.com/in/amogha-singh-raghuvanshi-754110404

Full Name: Ankita Mukherjee

Field of Specialization / Research Area: Computer Networking, 5G and Beyond Wireless Networks, Software-Defined Networking (SDN), Open Radio Access Network (O-RAN), and Next-Generation Wireless Communication Technologies.

Academic Advisors: Dr. Shankar Kumar Ghosh

Profile: LinkedIn

Full Name: Asim Roy Chowdhury

Field of Specialization / Research Area: Federated Learning, Distributed Systems and Parallel Computing

Academic Advisors: Dr. Archit Somani and Dr. Sweta Kumari

Profile : Linkedin

Full Name: Ayush

Field of Specialization / Research Area: AI in Drug Discovery

Academic Advisor: Prof. Rajeev Kumar Singh

Profile : https://www.linkedin.com/in/ayush-thakur-314441190/

Full Name: Biplab Pati

Field of Specialization / Research Area: IoT, WSN, CPS, Healthcare IoT Systems

Academic Advisor: Dr. Karnish Nasrin Ahmed Tapadar

Profile: https://imbiplab.in/

Full Name: Chundru Sharath Krishna

Field of Specialization / Research Area: AI in Drug Discovery

Academic Advisor: Prof. Rajeev Kumar Singh

Profile : https://www.linkedin.com/in/chundru-sharath-krishna-3b5ab324b/

Full Name: Dada Khalandhar Gooty

Field of Specialization / Research Area: Image Segmentation on Edge devices

Academic Advisors: Dr. Archit Somani and Dr. Sweta Kumari

Profile : https://www.linkedin.com/in/dada-khalandhar-gooty-3551445b/

Full name : Dhananjay

Research area : Computer Vision.
Sub-area: Affective Computing, specifically learner engagement / affective state recognition).
Application side: Human-AI Interaction, specifically proactive AI assistants.

Academic Advisor: Dr. Nazil Perveen

Profile: LinkedIn

Full Name: Diksha Dhillon

Field of Specialization / Research Area: Image and Depth Enhancement, 3D Reconstruction

Academic Advisors: Dr. Sumit Shekhar and Dr. Saurabh Janardan Shigwan

Profile : https://www.linkedin.com/in/diksha-dhillon/

Full Name: Gourab Das

Field of Specialization / Research Area: Algorithms, Succinct Data Structure and Pattern Matching

Academic Advisor: Dr. Arnab Ganguly

Profile: https://gourab0715.github.io/

Full Name: Harshit Singh

Field of Specialization / Research Area: AI in Drug Discovery

Academic Advisor: Prof. Rajeev Kumar Singh

Profile : https://www.linkedin.com/in/harshitsinghrmlau/

Full Name: Jaya Shukla

Field of Specialization / Research Area: NLP, LLMs, RAG, Hallucination Mitigation, LLM Evaluation, Deep Learning

Academic Advisor: Dr. Sonia Khetarpaul

Profile : LinkedIn

Full Name: Lakshaya Teotia

Field of Specialization / Research Area: Concurrent Data Structures, Distributed Systems and Parallel Computing

Academic Advisors: Dr. Archit Somani and Dr. Sweta Kumari

Profile : LinkedIn

Full Name: Manarshi Das

Field of Specialization / Research Area: Bioinformatics / AI for Antiviral Drug Resistance Prediction

Academic Advisor: Prof. Dolly Sharma

Profile: https://www.linkedin.com/in/manarshi-das-054857190/

Full Name: Maruthi PS Sarma Lanka

Field of Specialization / Research Area: AI in Education domain

Academic Advisors: Dr. Pooja Singh and Dr. Sonia Khetarpaul

Profile :https://www.linkedin.com/in/mprssl-mprssl-a415963ab/

Full Name: Mohd Athar

Field of Specialization / Research Area: Computer Vision (Domain Generalization)

Academic Advisor: Dr. Snehasis Mukherjee

Profile:

Full Name: Monika

Field of Specialization / Research Area: AI and ML, with a specialization in Computer Vision, Deep Learning, and Vision-Language Models (VLMs).

Academic Advisor: Dr. Saurabh J Shigwan

Profile: https://www.linkedin.com/in/monika-19903128a

Full Name: Pradeep Mohan

Field of Specialization / Research Area: Cybersecurity, AI, Deep Learning and Machine Learning

Academic Advisor: Dr. Sweta Mishra and Dr. Snehasis Mukherjee

Profile: https://www.linkedin.com/in/pradeep-mohan-76a4553a6/

Full Name: Pushpraj Katiyar

Field of Specialization / Research Area: Edge AI, Computer Vision, Real-Time Pose Estimation, and Image Processing.

Academic Advisor: Prof. Dolly Sharma

Profile: https://www.linkedin.com/in/pushpraj-katiyar

Full Name: Ramesh Kumar S

Field of Specialization / Research Area: AIOps, ML, MLOps

Academic Advisors: Dr. Suchi Kumari and Prof. Rajib Mall

Profile : https://www.linkedin.com/in/rameshkumar-sivaprakasam-67405b29

Full Name: Richa Mishra

Field of Specialization / Research Area: NLP, ASR

Academic Advisors: Dr. Sonia Khetarpaul and Dr. Suchi Kumari

Profile : linkedin.com/in/richa-mishra-bb568019

Full Name: Rishiraj Dutta

Field of Specialization / Research Area: NLP, LLMs, RAG, Deep Learning

Academic Advisor: Dr. Sonia Khetarpaul

Profile: https://www.linkedin.com/in/rishiraj-dutta-b7b679250/

Full Name: Rohit Handa

Field of Specialization / Research Area: Deep Learning, Computer Vision

Dissertation Topic: Enhancing Clinical Decision Making of Pulmonary Kochs through explainable AI (XAI) systems.

Academic Advisor: Prof. Rajeev Kumar Singh

Profile: **https://www.linkedin.com/in/handarohit2002/**

Full Name: Sanghamitra Samanta

Field of Specialization / Research Area: Applied Cryptography, Network Security, IOT Security

Academic Advisor: Dr. Sweta Mishra

Profile: www.linkedin.com/in/sanghamitra-samanta-b8801097

Full Name: Santosh Kumar Sharma

Field of Specialization / Research Area: Computer Vision, Image Restoration

Academic Advisor: Dr. Snehasis Mukherjee

Profile: **https://www.linkedin.com/in/santosh-sharma-62a25328/**

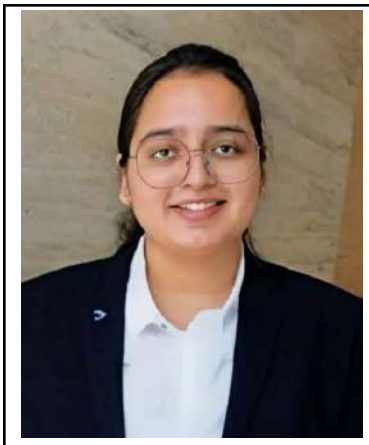

Full Name: Satya Pratik Srivastava

Field of Specialization / Research Area: AI in Drug Discovery

Academic Advisor: Prof. Rajeev Kumar Singh

Profile : https://www.linkedin.com/in/satya-pratik-srivastava/

Full Name: Shambhavi Bhardwaj

Field of Specialization / Research Area: Computer Vision, Computational Photography, Image Processing & Enhancement

Academic Advisors: Dr. Sumit Shekhar and Dr. Saurabh Janardan Shigwan

Profile: https://www.linkedin.com/in/shambhavi-bhardwaj-1993581b1/

Full Name: Shanu Poddar

Field of Specialization / Research Area: Lattice-based Cryptography, Blockchain-based Applications, Quantum Cryptography

Academic Advisor: Dr. Sweta Mishra

Profile : linkedin.com/in/shanu-poddar-57038b1a5

Full Name: Shobhit Gupta

Field of Specialization / Research Area: Distributed Systems, AIOps, RCA

Academic Advisor: Dr. Suchi Kumari

Profile : https://github.com/Shobhit10

Full Name: Shruti

Field of Specialization / Research Area: Improving QoS in Non-Terrestrial Networks using Reinforcement Learning

Academic Advisor: Dr. Shankar Kumar Ghosh

Profile : https://www.linkedin.com/in/shruti0/

Full Name: Srajal Tiwari

Field of Specialization / Research Area: AI in Drug Discovery

Academic Advisor: Prof. Dolly Sharma

Profile : www.linkedin.com/in/srajal-tiwari

Full Name: Suman Majumder

Field of Specialization / Research Area: Explainability in AI

Academic Advisor: Dr. Snehasis Mukherjee

Profile : LinkedIn

Full Name: Swati Tiwari

Field of Specialization / Research Area: AI in Drug Discovery.

Academic Advisors: Prof. Dolly Sharma and Prof. Rajeev Kumar Singh

Profile : https://www.linkedin.com/in/tiwariswati09/

Full Name: Tanishq Shukla

Field of Specialization / Research Area: Enhanced Computer Vision

Academic Advisors: Dr. Snehasis Mukherjee and Dr. Pooja Singh

Profile : LinkedIn

Full Name: Vamsidhar Katamreddy

Field of Specialization : Artificial Intelligence,NLP,LLM,RAG.

Research Area: Automated Software Documentation using RAG and LLMs.

Academic Advisors: Dr. Sonia Khetarpaul and Prof. Rajib Mall.

Profile : https://www.linkedin.com/in/vamsidhar-katamreddy-9511b07a/

Full Name: Vatsala Ramachandran

Field of Specialization / Research Area: LLM, SLM, NLP

Dissertation Topic: AI in Adaptive Learning

Academic Advisor: Dr. Sonia Khetarpaul

Professional Profile (LinkedIn): LinkedIn

Full Name: Venkata Krishna Rao Allada

Field of Specialization / Research Area: Secure Coding in Multi-factor Authentication

Academic Advisor: Dr. Sweta Mishra

Profile : https://www.linkedin.com/in/krishna-allada-15b89b19

Full Name: Venkata Sesha Satya Tejaswi Abburi

Field of Specialization / Research Area: Medical Image Analysis, Representation Learning.

Academic Advisors: Dr. Saurabh J Shigwan and Dr. Nitin Kumar

Profile: https://www.linkedin.com/in/tejaswi-abburi-02442b23b/

Full Name: Vidhya Rathinam

Field of Specialization / Research Area: Exploring RLF-Driven Handover Failures in mmWave-THz Heterogeneous Networks for 6G

Academic Advisor: Dr. Shankar Kumar Ghosh

Profile : www.linkedin.com/in/vidhya-rathinam-phd

Full Name: Vishal

Field of Specialization / Research Area: Open Set Recognition in Class Imbalance conditions

Academic Advisors: Dr. Saurabh J Shigwan and Dr. Nitin Kumar
