# ACADEMIC COMPONENTS

The primary objective of this program is to deliver an immersive and intellectually stimulating study abroad experience. By seamlessly incorporating Mandarin language acquisition, on-site corporate engagements, culturally enriching courses, and thoughtfully curated excursions, we aim to offer participants a comprehensive and transformative educational journey.

## Mandarin Language Learning

Five days a week of intensive language courses covering speaking, listening, reading, and writing. The subject matter encompasses daily operations and business activities.

## Corporate Visits

On-site visits will be conducted to local and international enterprises, providing profound insights into operational intricacies and nuances of local business culture.

## Culture Classes and Field Trips

Engaging cultural courses will include traditional experiences like tea ceremonies, calligraphy, and crafts, enhancing participants' understanding of local culture.

Exciting weekend excursions will allow participants to explore local history, nature, and landmarks.
