With six editions to its legacy so far, breeze is steadily growing in the fest network and brought a diverse audience from different colleges and universities. Each year, team breeze makes a greater effort to pick a theme that binds the fest together. From journeying the gully digital vast as we break the Internet to travelling the globe in global, themes over the years have given a distinct charm to each breeze edition. In its years-long run, Breeze has been privy to its share of challenges and has continued to turn the odds against adversity. Thus, for its 2021 edition, breeze embraced the online turn and channeled its celebratory spirit through KAZE. KAZE'21 was an amalgamation of online performances from jamming sessions and stand ups to events such as Scavenger Vortex, Burst the Rhymes and Tall Tails. From its opening ceremony to its ending, each student associated with KAZE brought life to this challenging endeavor.

Our inaugural event 2023! The launch event gives everyone a taste of the exuberance that Breeze has to offer and sets the tone for the upcoming celebrations. Mr. Aashish Solanki, the champion of Comicstaan 3, succeeded the stage at the University's Breeze annual launch event this year 2023. In the midst of all this enthusiasm, the theme of Breeze was revealed at the launch event!

Passionate artists and bands such as The Twin Strings, Progressive Brothers, and dream note performed their events this year, enhancing the Breeze experience to an unprecedented level. The core's constant goal is to make Breeze bigger and better every year, establishing new standards for universities across the country, not just Shiv Nadar IoE. The theme was Bifrost, an alternate reality experience that explored different aspects of how we perceive things, thereby making our current reality more diverse. Approximately 5000 students visited from other colleges and Universities.

## X. UNDERGRADUATE DEGREE REQUIREMENTS

To earn an undergraduate degree (major) at Shiv Nadar IoE, a student has to complete the credit requirements for the opted major. The total credits for each major are at least 150 but may be higher. (For instance, all B.Tech. programs require at least 160 credits). Apart from the total credits, students have to meet each major's particular course requirements as well as the University requirements in the categories of core common curriculum and University wide electives. Finally, in order to graduate, a student must have a final CGPA of at least 5.00.

A total of 42 credits in CCC and UWE courses must be earned by the student with a minimum of 18 credits from each. Every department has an Undergraduate (UG) Advisor. The UG Advisor is the first point of contact for any advice on academic matters. Please do contact them at the earliest.

### Credits:

Each course offered at Shiv Nadar IoE carries credits that are calculated on the basis of the number of contact hours per week (for a course) that runs the whole semester. The listings of the credits are given as L:T:P, wherein L is the number of lecture hours, T is the number of tutorial hours, and P is the number of lab sessions. A typical lab session is of 2 to 3 hours of duration and is counted as one contact hour. Once a student successfully completes a particular course, he/she shall have earned as many credits as the course carries.

### Grades:

At the completion of the credit course, every student who has registered for that course shall be awarded a letter grade. Each letter grade has an associated number of grade points:

Grade	Grade Points
A	10
A-	9
B	8
B-	7
C	6
C-	5
D	4
E	2
F	0

To successfully complete a course, the student has to get at least the minimum passing grade of D in that course. The Cumulative Grade Point Average or CGPA is the weighted grade point average of all credit courses completed by the student up to that point. An illustration is given below:

	Credits	Grade
Course W	5	A
Course X	4	B-
Course Y	4	D
Course Z	3	C

$$\text{CGPA} = (5 \times 10 + 4 \times 7 + 4 \times 4 + 3 \times 6) / (5 + 4 + 4 + 3) = 112/16 = 7.00$$

An undergraduate student who fails to maintain a CGPA of at least 5.00 will be placed on Academic Probation.

If the CGPA of a Student fall below 4.00 at any time, from the end of Second Semester onwards, his/her Admission from the University Shall be terminated.

**Duration:** In general, a student can take between 6 to 12 full semesters to complete an undergraduate program, with 8 semesters being the ideal.
