## 1.5 ATTENDANCE POLICY AND IMPLEMENTATION

Every student has to register every semester that she/he spends at Shiv Nadar IoE. The registration will include separate individual registration in each of the courses that the student wishes and is allowed to take that semester. The following conditions apply:

- Attendance is mandatory for all courses.
- All undergraduate students at Shiv Nadar IoE are expected to be present for all of the scheduled classes. For whatever official or private reasons, a shortfall of not more than 25% is permitted in each course.
- Failure to meet the attendance requirements in a course will lead to an F\* grade in that course.
- Admit cards for appearing in the end term exam in all registered courses will be available for students to download a day before the start of the exam. Any course in which a student is registered and has not satisfied the minimum attendance requirement would not appear in the exam and will not be given admit card. Hence the student will not be allowed to take that exam. The student would receive F\* grade in courses where attendance is short.
- In the case of the first half CCC, if a student is short on attendance, the student will be barred from taking the final evaluation. Please note that even if the student appears for the final evaluation, the student will be awarded F\* grade (due to attendance shortfall) via the Grade Submission System in case no exceptions are made by the Dean of School.

## 1.6 ACADEMIC INTEGRITY

- Students are expected to maintain high standards of academic honesty and integrity. Anything that results in the loss of integrity in the processes of teaching, learning, and research will be considered as academic malpractice. The University follows a zero-tolerance policy for the mentioned practices. This includes, but is not limited to:
- Misrepresenting academic accomplishments, submission of another's work as one's own or willfully allowing others to represent their work as their own.
- Creating disturbance in the classroom and not maintaining classroom decorum.
- Use of mobile phone inside the class.
- Creating loud noise/ playing music/ talking in loud voices thus causing/ disturbing the ongoing academic activity.
- Plagiarism as per the Shiv Nadar IoE policy. Link: <https://snulinks.snu.edu.in/snuPolicies/students/Policy%20on%20Academic%20Malpractice.pdf>
- Cheating, or helping to cheat, in assignments, laboratories, exams, and proxy attendance.
- Fabrication or falsification of data, results, and outputs in research and coursework
- Tampering with answer sheets of exams, checked assignments, and reports.
- Forging documents such as letters of recommendation, transcripts, and certificates.
- Misbehavior/delinquency during industrial tours / educational visits or tours/internships / co-curricular / extra-curricular / sports visits.
- All the above are applicable in all the modes of learning. Students found to be in violation of the policy will be penalized as deemed appropriate. This could imply receiving an 'F' grade, loss of a scholarship, suspension, or even termination or expulsion from the University.

## 1.7 ACADEMIC AND CO-CURRICULAR OPPORTUNITIES AND SUPPORT

### A. OPPORTUNITIES FOR UNDERGRADUATE RESEARCH (OUR)

The OUR program at the University gives students hands-on experience in conducting research and independent work under faculty supervision. Through the program, students develop a foundational understanding of how research is conducted in their disciplines, learn about possible resources and the way to utilize them as well as how to interpret research outcomes. This program has paved the way for students to learn by discovery, has enabled greater student-faculty interaction, and expanded the level of research activity on campus; while also helping to identify and train potential candidates for the University's graduate programs.

Visit <https://our.webapps.snu.edu.in/public/> for further details

### B. SOCIETIES AND CLUBS

Shiv Nadar IoE believes that every passion and interest is worth exploring and supports an exciting idea that students have for creating new organizations, so long as they are not insensitive or offensive to other members of the University. The student clubs and societies provide each

student the opportunity to explore their passion outside their regular studies and collaborate and learn as part of a community that is bound together by shared interests. There are several clubs in Shiv Nadar IoE, spanning from dance, theatre, music, film, and debate to various departmental clubs, to Business, to debate.

At Shiv Nadar IoE, students can connect with other like-minded students in over 50+ clubs, leadership organizations, and technical societies. Whether they want to hone their skills, grow their network within the University, or just meet other students, student clubs and societies make life on campus truly vibrant. Students can also contribute as a fresher. Most of the clubs reserve a position of freshman coordinator in the core of their respective clubs to ensure healthy participation from the newest members of the University community. We are proud to house an array of diverse student clubs and organizations with a blend of art, music, dance, photography, and a lot more. Whether meetings are in-person, online, or both, we have a place for all. Make sure that your ward register for their favorite club.

Among other activities, we hold virtual chat sessions for students from time to time and organize Instagram Live sessions, webinars, panel discussions, and much more. Do ask your wards to join us and get involved with the vibrant club culture of the University so that once they are on campus, they are already well-versed in the work and functioning of different clubs and societies.

### C. ON CAMPUS JOBS (OCJ)

Undergraduate students are provided opportunities to gain experiential and applied learning, to help them inculcate ethics, leadership qualities, and service attributes. These opportunities help students to earn an additional income and help them to imbibe a sense of accountability and responsibility. Possible jobs under this policy may include (but are not limited to) extending assistance in laboratory and library management, monitoring projects, conducting and analyzing various feedback, managing help desks, aiding departments in enabling functions of the University like Admissions, Career Development Centre, Office of Dean of Students, Administration, Hostels, Sports, and allied activities, etc.

The OCJ process is exactly like a formal 'recruitment' process in any well-managed company. The positions are formally advertised to the student community, and all eligible UG students (CGPA above 6.0) who meet the job's skill requirements are free to apply. Candidates are interviewed by the respective departments and are made an offer upon selection. Students will be paid 100 rupees per hour for OCJs during academic sessions, with a maximum limit of 20 hours per week. During vacations, the payment will be 75 rupees per hour, with a maximum limit of 40 hours per week.

For students engaged in OCJ during summer vacations, the hostel fee for that period will be borne by the sponsoring department. For details, please visit SNU Links <https://ocj.webapps.snu.edu.in/> For queries related to OCJ, please contact: Mr. Sudhir Kumar, Associate Manager, Office of Dean of Students in D010.

**Eligibility:** OCJs are open to all undergraduate students and students from some masters' degree programs (without any Teaching Assistantship and for jobs specific to post-graduate

programs) of Shiv Nadar IoE. However, students must maintain satisfactory academic progress and adhere to the policies and guidelines set by the Institute.

**Circulars and Application Process:** Circulars for OCJs will be posted via email from the Office of Dean of Students, along with an application form and job description. Interested students can submit the application form to apply for the jobs.

OCJs at Shiv Nadar IoE provide an excellent opportunity for students to gain practical experience, develop skills, and earn some extra income. Students are encouraged to keep an eye on the circulars and apply for OCJs as per their interests and availability.

## CONFIDENTIALITY

The purpose of confidentiality in psychological counseling is to encourage students to discuss candidly all the problems they are experiencing and to not withhold information out of concern that it might prove embarrassing to them. Please feel free to discuss any concerns about confidentiality with the Counsellor.

Students' records at the Counselors are not part of any other University record. We do not share information about a student with anyone (including parents, professors, deans, friends,

hostel wardens, or peer educators) without a student's permission, including the fact that they have received counseling.

The Health Centre operates as a team and as such, there may be times when it is appropriate for counsellors to consult the doctor at Health Centre about students' care. This is done only after the student gives their consent to discuss the case with the medical doctor. All staff members of the Health Centre are held to the same standard of confidentiality.

While we place a high value on safeguarding confidentiality, there are some instances in which laws and procedures of the university may obligate or allow us to release information to others without either your consent or authorization:

- If a student files a complaint or lawsuit which involves counselors, then the counselor may disclose relevant information regarding that student to defend against that suit.
- If a counselor knows or has reason to suspect, that a child under 18 or that a vulnerable adult is abused, abandoned, or neglected by a parent, legal custodian, caregiver, or any other person responsible for the child's or adult's welfare, the law requires that they make a report and involve the relevant stakeholders.
- If a counselor believes that there is a clear and immediate probability of physical harm to the student, to other individuals, or society, they may be required to disclose information to take protective action, including communicating the information to the relevant stakeholders including the potential victim, parents, Associate Director and Head of Student Life, Dean of Students or family member(s); or they may seek hospitalization of the student. If such a situation arises, every effort will be made to fully discuss it with your ward before taking any action, and information will be limited to only that information necessary to ensure safety. If your ward have concerns or questions about confidentiality, please phone our counselors for clarification.
- We are happy to consult with parents regarding their concerns about their son or daughter. We are unable to acknowledge whether a particular student is a client unless the student has given us consent to do so. When a student does not agree to disclose any information to a parent, a departmental representative will discuss concerns with parents in general terms only.

## APPOINTMENTS

Students are seen by appointment, except in urgent situations. We request your ward's cooperation in keeping the scheduled appointments. We understand that in some instances, unavoidable circumstances may prevent them from doing so. We would appreciate it if cancellations are made at least 24 hours in advance so that the time can be offered to another student.

## CONSULTATION HOURS

We are open Monday to Saturday, 9 am to 5 pm.

- All students who are new to Counselling services can begin services by direct walk-in.
- One can call on our helpline no. +91-9560517642 or on extension 102. One can also email us at [divya\\_khatter@hcl.com](mailto:divya_khatter@hcl.com) or [durgeshojha@hcl.com](mailto:durgeshojha@hcl.com) or one can walk into the center and make an appointment as per the timelines mentioned above.

- In urgent situations, one can call on +91-9560517642 or +91-8800644240 or +91-7678613412

## COUNSELING SERVICES

All students new to Counselling services will begin services through an initial consult with the counselor usually within 24 hours of the student's request. The student can place the request for an appointment with a counselor by either calling or writing an email to the particulars given above. During an initial consultation, the counselor will ask the student several questions about the current situation as well as gather information about their psychiatric history. With a clearer picture of the student's needs, a personalized plan will be developed for their care.

Based on the outcome of the student's initial consult, individual counseling sessions will range from 45-60 minutes. The length and frequency of sessions are planned collaboratively by the counselor and the student, with consideration for the student's level of functioning, progress, available supports, and overall demand for services.

Whenever any urgent need occurs when a student's coping skills are no longer effective in helping them to manage a situation. Urgent situations are potentially life-altering but not life-threatening. Students with urgent needs may want immediate support. In such cases, Students, faculty, and staff can also request an urgent appointment which is scheduled within the 24 hours of the request through either of the mediums provided above or by direct walk-in between 9:00 to 5:00 PM from Monday to Saturday at the University Health Centre located at 'F' block near Shopping Arcade. These appointments focus on helping the student to resolve/cope with the acute situation and assess safety concerns. For immediate support respective hostel wardens needs to be contacted in order to facilitate the logistics. We do have ambulance services available for Mental Health Support facilities as well.

Emergencies are life-threatening situations that require an immediate response. An emergency might involve:

- Persistent thoughts and/or plans to hurt themselves or someone else
- Engaging in a life-threatening behavior
- Physical or sexual assault
- An episode of mania or psychosis

The counselor will help a distressed student to get the care they need by assessing their safety concerns. They will help students to make a plan for getting through the night, and the weekend, or if indicated the counselor will facilitate hospitalization.

## SERVICES PROVIDED

Students come to us with concerns regarding psychological or emotional issues, during times of crisis, when their usual coping mechanisms may not be working well, or when they are faced with making difficult decisions. Our counselors provide crisis intervention, assessment, short-term psychotherapy, group therapy, meditation & relaxation, and referral services. We also

offer consultation to students, faculty, and staff who are concerned about the well-being of other students. We provide such services without charge to all members of the Shiv Nadar IeE community including faculty and staff members.

## PSYCHOLOGICAL COUNSELLING

Psychotherapy can have benefits and risks. Since therapy often involves discussing unpleasant aspects of your life, you may experience uncomfortable feelings like sadness, guilt, anger, frustration, loneliness, and helplessness. On the other hand, psychotherapy has also been shown to have many benefits, including improved relationships, increased understanding of oneself, solutions to specific problems, and a significant reduction in feelings of distress.

The first session will involve an evaluation of student's needs. By the end of the evaluation, students will be offered some first impressions and some strategies to help them deal with the issues they came in to address. Therapy is generally most successful when they work actively, both during and between sessions, on things they have talked about with their counsellor.

## CLIENT HANDOVER

In the event of the counselor leaving the organization, his or her clients would be handed over to the other existing counselor or a new counselor. Enough care would be taken to ensure the handover is as smooth as possible.

## FEEDBACK

You can send feedback on our services at [anshu.paliwal@snu.edu.in](mailto:anshu.paliwal@snu.edu.in).

There is also a support group of more than 30 students enrolled called peer guides. It is a voluntary independent activity apart from academic and administrative duties. The entire counseling system maintains absolute confidentiality during the process. The volunteers are selected via a rigorous screening process, and trained by qualified personnel.

## 7. REGULATORY BODIES AT SHIV NADAR IOE

To maintain a healthy atmosphere and ensure the safety of all students on campus, there are three regulatory bodies to address disciplinary misconduct, academic malpractice, and sexual harassment and/or gender sensitization respectively:

### 7.1 DISCIPLINARY COMMITTEE

The University is a closely-knit community and every member should feel secure, safe, and happy while staying on the campus. We at Shiv Nadar IoE believe in a culture of mutual respect for everyone irrespective of one's age, designation, or life choices. For the same reasons, the students must follow a code of conduct as laid by the University. Any deviations from the code of conduct will be considered as Infractions.

In accordance with the Statutes of the University for establishing a safe and disciplined environment on campus, the Disciplinary Committee (DC) handles minor offenses and first-time infractions and serves as a first-level mechanism to deal with student-related disciplinary cases. At the next level, the cases are forwarded to the Proctorial Board (PB) if the nature of the offense is severe or if there are repeat offenses.

The above follows the philosophy of reducing misbehavior by a structured system of timely interventions, and maintaining a safe, engaged, and inspired learning environment through restorative practices, counseling, community service, and other similar tools.

In case of any dispute, the first point of contact should be Associate Manager- Member Secretary, Student Disciplinary Committee. The email id to be used to write such complaints is [disciplinarycommittee.office@snu.edu.in](mailto:disciplinarycommittee.office@snu.edu.in) or [sudhir.kumar@snu.edu.in](mailto:sudhir.kumar@snu.edu.in) The case will then be taken up by the Disciplinary Committee.

The students subjected to any disciplinary action by the Disciplinary Committee shall have the option of a one-time appeal to the Proctor within 10 working days. The Proctorial Board shall be the appellate authority for the same. An appeal shall only be entertained if:

- o Fresh evidence is adduced which for good reason had not been available previously; or
- o There is a material irregularity in the disciplinary proceedings conducted by the Disciplinary Committee, as the case may be.

The decision of the appellate authority will be final and binding.

## 7.2 PROCTORIAL BOARD

As per Clause 31 of the Rules and By-Laws of Shiv Nadar (Institution of Eminence Deemed to be University), the Proctorial Board (PB) is constituted. The PB is responsible for ensuring rules and regulations framed by the Institution are being followed by the students. The PB also keeps an eye on the general moral behavior of the students, cases of individual/ group harassment, threats, manhandling, etc.

### Powers and Functions of the Proctorial Board

It shall be the duty of the Proctorial Board to review and maintain discipline among the student body of Shiv Nadar IoE and shall on this behalf also exercise the following powers:

- To hold inquiries with respect to incidents of misconduct of a student(s);
- Take necessary disciplinary actions on the recommendation of the Proctorial Board and apprise the Vice Chancellor of said action taken.
- The students subjected to any disciplinary action by the Proctorial Board shall have the option of a one-time appeal, and the Vice chancellor shall be the appellate authority for the same. The decision of the appellate authority will be final and binding.
- Evaluating the processes in place in Shiv Nadar IoE to control discipline amongst the students, and exercise any other powers and functions as may be conferred upon it by the Board of Management.

If as parents you have any query related to the PB decision you can write to [proctor.office@snu.edu.in](mailto:proctor.office@snu.edu.in).

The students subjected to any disciplinary action by the Proctorial Board shall have the option of a one-time appeal within 10 working days to the Vice Chancellor. The Vice Chancellor shall be the appellate authority for the same. An appeal shall only be entertained if:

- o Fresh evidence is adduced which for good reason had not been available previously; or
- o There is a material irregularity in the disciplinary proceedings conducted by the Disciplinary Committee, as the case may be.

The decision of the appellate authority will be final and binding.

## 7.3 INTERNAL COMPLAINTS COMMITTEE

The Internal Complaints Committee (ICC) also called the 'Gender Committee', at Shiv Nadar Institute of Eminence (Shiv Nadar IoE) Deemed to be a University, Delhi NCR, has a policy for the Prevention of Sexual Harassment (PoSH) on campus.

Shiv Nadar IoE is committed to providing a place of work and study free of gender bias and sexual harassment, intimidation, or exploitation. It is expected that all students, faculty, and staff will treat one another and visitors with dignity and respect. All members of the Shiv Nadar IoE community, including those who are in temporary or short-term positions and employed with third-party vendors, are expected to contribute towards ensuring that the workplace is free of gender and sexual harassment.

The responsibility of promoting gender sensitivity and taking action in cases of sexual harassment has been vested with Internal Complaints Committee. Reports of sexual harassment are taken seriously and dealt with promptly by the ICC in accordance with the provisions of the University Grants Commission (Prevention, Prohibition, and Redressal of Sexual Harassment of women employees and Students in higher educational institutions) Regulations, 2015. The University has recently re-constituted the ICC w.e.f. 4th May 2023, as per the above-mentioned UGC Regulations, and the Government of India notification no. 14 of 2013, regarding 'The sexual harassment of women at Workplace (Prevention, Prohibition and Redressal) Act 2013'. The regulatory framework of ICC is guided by UGC requirements as well as Shiv Nadar IoE's Gender Policy.

All students are required to attend a mandatory orientation conducted by the ICC during their first year at Shiv Nadar IoE, Delhi NCR. Club functionaries and members of student Government have to take these sessions before they can take over their duties. The orientation seeks to educate participants regarding sexual consent and promote understanding of an environment of cooperation and dialogue among members of the University, while also making students aware of their rights and duties.

The ICC and the University strongly believe in the importance of fostering gender equity and maintaining a campus free of sexual harassment to ensure that our students have the best possible environment to pursue their goals.

All students are advised to finish a one-hour online course on 'Consent Matters' that is offered by the online division of Sage Publication.

Any aggrieved person (employees, students, third-party vendors) may file a formal written complaint against any incident of sexual harassment by email, to the Chairperson of the ICC at [gendercommittee@snu.edu.in](mailto:gendercommittee@snu.edu.in)
