

SHIV NADAR UNIVERSITY X CSHE - UC Berkeley EXECUTIVE LEADERSHIP ACADEMY

The landscape of higher education is changing around the world, especially in India and the rest of South Asia. There is a renewed focus on driving greater research & development, new universities continue to take root, technologies revolutionize the learning and teaching experiences, and greater access to quality education becomes increasingly important. This naturally means that the future leaders of universities and institutions will need to become more effective educators and administrators, equipped to lead in a complex, multicultural, and diverse environment.

As an 'Institution of Eminence' committed to helping elevate Indian higher education to the global stage, Shiv Nadar University, Delhi-NCR, is delighted to present to you a unique program that prepares current and future leaders to appreciate the global dynamics of higher education. For the first time ever, the University of California Berkeley's Center for Studies in Higher Education is hosting its much sought after Executive Leadership Academy (ELA) program in India, in collaboration with Shiv Nadar University, Delhi-NCR, from 15-19 November 2021.
