

Last date to apply is July 4, 2021

Admission to M.Sc. (Economics)

The Department of Economics at the Shiv Nadar University would like to announce that admissions into the M.Sc. (Economics) programme are now open for the academic year 2021-2022.

The M.Sc. (Economics) is a two year (four semesters) program. The students undergo fairly rigorous training that prepares them equally well for jobs in the government, the private sector, NGOs as well as for admission into PhD programs if they so wish to do. The department has a vibrant faculty with varied research interests offering the masters students the option of studying in a wide range of exciting sub-disciplines in economics. Please see the graduate prospectus of the department for more details.

Eligibility:

Prior economics training is not required. Students who have or will have a bachelor's degree (in any discipline) with at least 55% in aggregate may apply. Those not having received their bachelor's degree by the start of the program will be given conditional offers until their bachelor results are declared.

The eligibility criteria mentioned above are minimum standards and applications not meeting the same will be summarily rejected. Short-listed candidates will be required to demonstrate their knowledge through an online written test to be held **tentatively on July 11, 2021**. Selections will be based on performance in the written examination. **Please note that not all candidates meeting the minimum eligibility criteria may be shortlisted.**

Admission Process:

1. The first step in the admission process is a written test, which is held online. The written test is planned on **July 11, 2021**.

Applications for admission are to be made online. **The last day for applying to the program is July 4, 2021.** Information related to application fees is available on the SNU website.

2. The test will have 30 multiple choice questions. There will be some questions that test comprehension and analytical abilities. The remaining questions will be from Economics (Undergraduate level) and Basic Mathematics. Detailed syllabus for the admission test and information about the grading and ranking scheme is available in the graduate prospectus.

Fees and Assistantships:

Detailed information about the fee structure and the nature of assistantships are available in the department's graduate prospectus.

Application Instructions:

All interested applicants shall apply online from the link given below. Please follow the instructions carefully.

- Fill all the mandatory fields
- Online upload of following document is required
 - Passport size color photograph
 - Current CV
 - All Mark sheets/Degree Certificates (10th Standard onwards)

Please note that the application is not deemed complete until we receive all the necessary prescribed documents and application fees.
