

YOUNG MOLECULAR BIOLOGIST

28-29 OCTOBER 2023

LAST DATE OF REGISTRATION - 20 OCTOBER 2023

Scan to Register

Shiv Nadar Institution of Eminence, Delhi NCR is pleased to introduce a new module of the Young Thinkers Forum on Genetics and Genomics called the Young Molecular Biologist Program.

We will conduct this weekend module on 28th-29th October 2023 on the sprawling 286 acre campus, which recently won the ACE Award for Circular Campus from International Council for Circular Economy for sustainability and is also a biodiversity hotspot, preserving the flora and fauna unique to the region.

Our specially curated program will introduce you to the distinct elements which are important for Biotechnology R&D. We will also introduce you to concepts and skills integral to a wide range of research areas relating to plant, animal and human genetics and molecular biology.

You will be exposed to the cutting-edge molecular biology research laboratory environment through interactions with experienced scientists. The Department of Life Sciences hosts a state-of-the-art Center for Excellence in Epigenetics and a brand new Center for Translational and Integrative Research that uses various experimental model systems to aid investigations in fundamental biology as well as biomedical research.

There's so much on offer for young environmentalists at Shiv Nadar IoE, Delhi NCR and we look forward to your participation in this program.

DATES & ELIGIBILITY

Last date of registration: 20th October 2023

Check in: Saturday, 28th October 2023

Check out: Sunday, 29th October 2023

Fees: Rs.5900, Per Child, Inclusive GST, covering Food and Accommodation

Eligibility: 11th & 12th Grades

All participants will receive participation certificate.

PROGRAM HIGHLIGHTS

Immersive Lab Experience

Looking Life through VR

Data Analyst

Tour of Research Facility

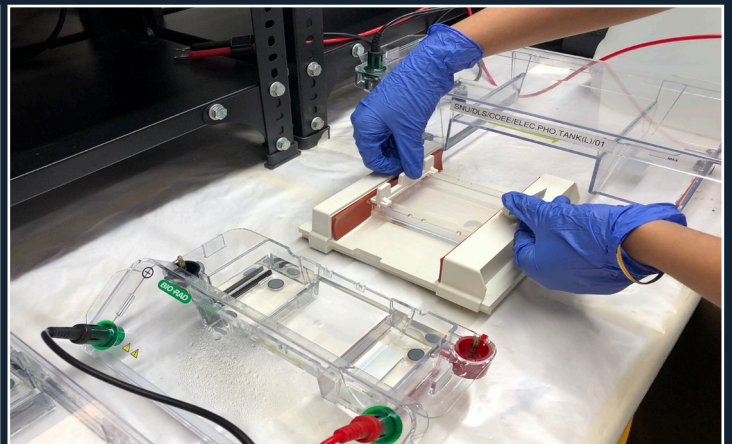

Safe Lab Practice

Discussion about Molecular Biology

GLIMPSES
