EXPANDING THE BOUNDARIES OF HUMAN KNOWLEDGE

SHIV NADAR UNIVERSITY, DELHI NCR

Shiv Nadar (Institution of Eminence Deemed to be University), is a student-centric, multidisciplinary and research institution offering a wide range of academic programs at the Undergraduate, Master, and Doctorate levels. The Shiv Nadar Institution of Eminence (Shiv Nadar IoE) was set up in 2011 by the Shiv Nadar Foundation, a philanthropic foundation established by Mr. Shiv Nadar, founder of HCL. The institution is on the quest to become a globally acclaimed center for learning and innovation in the fields of engineering, Natural Sciences, Humanities and Social Sciences, and Management. The core of the Institution consists of a select, world-class faculty with doctoral and postdoctoral experiences from ranked universities all over the world.

In the NIRF (National Institutional Ranking Framework), Shiv Nadar IoE is the youngest institution in the 'Top 100' Overall List, and its score has been rising steadily. In NIRF-2022, it ranked 61 in the 'University' category. Shiv Nadar IoE has been accredited with Grade 'A' by NAAC (National Assessment and Accreditation Council), valid for a period of five years from 26 November 2019. It is also among a select group of green-field institutions in the country which were awarded the prestigious Atal Incubation Center grant by the NITI Aayog, Government of India, in the very first round in 2017.

The institution has a vibrant community of over 3500 students, over 4000 alumni, and more than 270 faculty members, with its campus spread across 286 acres in the National Capital Region.

MESSAGE FROM THE CHAIR, YOUNG THINKERS FORUM

Greetings Students!

It gives me immense pleasure to welcome you to the Young Thinkers Forum 2023 by Shiv Nadar IoE. We believe in the power of education. Education is not just about acquiring knowledge or about a classroom, but also about developing skills and competencies that prepare you for your future. Our aim here is to introduce the young and brilliant minds to a liberal arts, management, engineering and sciences program and experience the multidisciplinary education style we engage with here at our university. We successfully conducted four programs this year – Young Thinkers Masterclasses, Young Thinkers Summer School, Young Thinkers Internship Program and Young Environmentalists Program.

We wish to engage in the immersive sessions conducted by our university students, Ph.D. Scholars and alumni under the mentorship of the Shiv Nadar IoE faculty & staff along with sessions on leadership and entrepreneurial and scientific thought. This course will help you experience the various fields that lie ahead in your career path and help you make informed decisions while having fun, for you are the future leaders and decision makers. We shall provide you the tools you need to unlock your full potential as it is true when they say, 'sky is the only limit'! Let us together change the world!

WELCOME ABOARD

Expose your young minds to liberal arts, management, engineering, and sciences programmes. Gain the idea of various disciplines and a chance to experience multidisciplinary education through the fields provided at Shiv Nadar IoE.

Our program includes a range of activities including vertical tutoring between high school students and college students, faculty presentations, fun sessions, discussion groups, guest speakers, and interactive multimedia learning. It is a certified week-long offline program, where students are exposed to different disciplines. Along with the courses, the students can engage in non-academic activities that focus on honing important leadership and networking skills. Our program is delivered with our team of experienced student mentors, trained by the professors. Under the mentorship of current Shiv Nadar IoE students, students will immerse themselves in discussions and interactive activities that will help them master the fundamentals of various subjects and understand the key role that effects leadership plays in fostering innovative thinking.

If you are someone from grades 9th-12th and have the aptitude and passion for making a change by nurturing life skills, this program is for you! We want students who can learn by asking questions and grow by sharing ideas.

Interested school students should submit their applications. Shortlisted students will be notified accordingly.

TESTIMONIALS FROM PARENTS AND STUDENTS

“

Aarna recently had the opportunity to attend the Winter School Program at Shiv Nadar University from January 2nd to 7th, 2025. This enriching experience allowed her to explore a diverse range of activities, from creative pursuits like calligraphy and pottery to future-focused sessions on career counseling and AI.

The program helped her discover new passions and gain valuable insights. Kudos to the entire team at YTF for putting together such an inspiring program for the students!

“

I wanted to express my heartfelt gratitude for organizing this incredible winter camp for the kids. I have been keenly following up on all your posts and messages and have been awed by how well this was conducted. The thoughtfully curated program provided a unique and enriching experience for all participants. I really appreciate you and your teams dedication for creating a safe, inclusive, and stimulating environment. The diverse range of activities and workshops not only fostered new skills but also encouraged teamwork, empathy and self-reflection. The impact of this camp will undoubtedly be felt long after its conclusion. Please know that your efforts have made a tangible difference in the lives of these young individuals. Thank you once again for your tireless efforts, vision and commitment to empowering the next generation and am sure my son is already looking fwd for the next one :-) !!

“

I am thrilled at how my daughter has evolved also. She has attended 1 summer 1 winter. Thanks Vinnie and whole YTF team. It was very enriching and enlightening for Aanya.

All the activities that they engaged the children into were so thoughtfully curated. My daughter enjoyed the Bio lab and the Quiz sessions. The team was always around to help and never left the kids alone. Absolutely a must do workshop for any kid who wants to explore their options and gain clarity.

“

Attending the Young Thinkers' Forum Winter School 2025 at SNU has been one of the most enriching and unforgettable experiences of my life! The program was a perfect blend of learning, creativity, exploration, and fun. Each day was packed with insightful sessions be it workshops on calligraphy, sustainability, and life skills or nature walks, exploring the campus, experimenting with drones and pottery- every moment was packed with learning and discovery. The field trips to KNMA museum and SNU(Moolgyan) farm were equally inspiring. Not to forget, the preparation for the talent show at the gala night to team activities, each memory is filled with laughter and camaraderie.

Well, Winning the Ms.YTF title was a personal highlight, but what truly made this program unforgettable was the incredible friendships I built along the way.

All in all, this program has left me with a sense of growth and memories that I'll cherish forever!

A huge thank you to Vinnie Khanna Mathur, Shivangi Pandey, Arsh Abbas alongside all OCJ and faculty members, for shaping YTF as an unforgettable experience for me.
